RUSIJA ZAPRETILO AMERICI "Konvoji kojima šaljete oružje Ukrajini za nas su od sada LEGITIMNE METE"

Visoki ruski diplomata upozorio je da će Moskva od sada smatrati pošiljke oružja Ukrajini "legitimnim metama". Komentari zamenika ministra spoljnih poslova Sergeja Rjabkova, koje su preneli Skaj njuz i Bazfid, verovatno će izazvati strah od potencijalne eskalacije sukoba u Ukrajini. Rjabkov je rekao da je Rusija jasno iznela svoj stav SAD, prenosi "Gardijan". On je rekao da je Rusija "upozorila SAD da isporuka oružja iz brojnih zemalja koje orkestrira nije samo opasan potez, to je akcija koja te konvoje čini legitimnim metama". Osvrćući se na američke sankcije Moskvi, on je rekao da su one "pokušaj bez presedana da se zada ozbiljan udarac različitim sektorima ruske ekonomije". Ali on je insistirao da Rusija nema nameru da protera zapadne medije i kompanije, dodajući: "Nećemo eskalirati situaciju."
